

Dear Sirs,

It's once again time to start thinking about the Western Colorado Horticultural Society Convention this coming January.

We appreciate your continued support of our industry and invite you to participate in our 66th annual event January 19-21 2010 at the Two Rivers Convention Center in Grand Junction, Colorado. We are looking forward to another excellent and informative conference featuring presentations that will pertain to our local fruit industry. You may check our website, www.Coloradofruit.org, for the latest schedule of speakers and topics, convention social events, and for information on the bus tour of local farms and vineyards.

As always, we will acknowledge your support on many occasions throughout the convention. Without our exhibitors and sponsors it would not be possible to continue the WCHS convention, which is an excellent educational opportunity to our members. We believe it to be essential for a strong, successful local horticulture industry. Your support can be expressed in the following ways:

Sponsor: Bronze \$100 Silver \$250 Gold \$500 Platinum \$1000

- Platinum level includes 6 banquet tickets. Gold level includes 4 banquet tickets.
- Your company name will be listed on the convention program, and given special recognition throughout the convention. If you desire your name on the program, you must send in the completed registration form by December 1, 2009.

We hope your booth will be manned at this time to visit with potential customers in a relaxed setting.
